Natalie Romanoff  
Federal Program Officer  
United States Department of Commerce  
National Telecommunications and Information Administration  
Washington, DC 20230

Dear Ms. Romanoff,

Iowa Department of Public Safety requests that the National Telecommunications and Information Administration (NTIA) recommend to the National Institute of Standards and Technology (NIST) Grants Officer a no-cost extension to our State and Local Implementation Grant Program 2.0 (SLIGP 2.0) award to complete grant activities. Our new requested period of performance end date is March 31, 2021.

Iowa Department of Public Safety acknowledges that this is a request for an extension of time to complete grant activities, and that no additional funds will be awarded.

Iowa Department of Public Safety will meet the 20% match requirement, as required by the SLIGP 2.0 Notice of Funding Opportunity (NOFO) and the Specific Award Conditions of our award.

Sincerely,

Thomas T. Lampe
